

Mammas Mammalaid

Chris Grey & The BlueSpand

Hey what's that funky taste
In your mammas marmalade?

Almost 40 years
I've been searching high and low
What is in that recipe
I just gotta know

I've been through all ingredients
One and every kind
Still there's just this special one
I couldn't find

Did you try cinnamon?
-it gives the sweetest taste
Well how about coffee then?
-did that but gee what a waste
Did you try vinegar?
-mmmmm that weren't really it
Well what about Oyster sauce?
-Oyster sauce??? You know that taste like shit!

Hey what's that funky taste
In your mammas marmalade?

I don't wanna say this
Cause I hate to loose my pride
But suddenly it shook me
There's one thing I never tried

I ran into the kitchen
Put some heat on my old cooker
Finally the taste was right
All I needed was BROWN SUGAR

Hey what's that funky taste
In your mammas marmalade
