

Golden Tower

Chris Grey & The BlueSpand

Hoocha Hoocha Hoocha

Got a lot of money
Got my own TV-show for you
Living the wild life
And the girlies like me too
When you are famous
You can do anything you want
Beauty's like a magnet
It don't mind if you are blond

Hoocha Hoocha Hoocha
Hoocha kiss right now

Better get me some tic tacs
Never know who you might meet
I might even start kissing
Before you get cold feet
If I show you my tower
You might forget that I am old
And give me a shower
A Shower made of gold

Hoocha Hoocha Hoocha
Hoocha kiss right now
