

# Funk the mall

Chris Grey & The BlueSpand

Hey you people - back in the hall  
We're gonna get down - and funk the mall

People always ask what the recipe is  
Well it's as easy as taking a p....  
Take a foun-dation of drums exactly 200 pounds  
Turn it up and hear how groovy it sounds

Funk in the bass pound to a pound with a tablespoon jazz  
and see the crowd already shaking their ass  
Mix in the guitar with some rhythm and blues  
And everybody will jump into their shoes - 'cause

Hey you people - back in the hall  
We're gonna get down - and funk the mall

Now you have a dough with a tasty groove  
But there's some things you can still improve  
Take Lars von TrommenStick, Tutte Max and Mr. Chris Grey  
And Give us coffee If you want us to stay

Call all your friends - get them on their feet  
There is a special place down the street  
'cause we're gonna have a party - we're gonna have a ball  
We're gonna have a party at the Mall

Hey you people - back in the hall  
We're gonna get down - and funk the mall
